Leadership Program Camper

高中青少年領袖培訓學員招生簡介

At MCCC, our main goal is to promote and foster leadership; as such, we are proud to offer this Leadership Program for campers ages 16 and up as of the first day of camp.

A Leadership Program Camper (LPC) will attend morning courses that differ from our regular campers. These courses will consist of a multitude of activities and lectures, all designed to encourage team building, critical thinking, and taking initiatives.

Each LPC will be under the direction of a Counselor and will assist with all camp activities. LPCs will assist their Counselor in leading their bunk of campers during activities, helping the instructors and making sure that their campers have a great time while learning!

At the conclusion of our program, Leadership Program Campers will:

- Recognize their own personal leadership styles and strengths
- Be more effective and efficient as part of a team
- Develop stronger communication and organizational skills
- Receive a certificate demonstrating completion of our program and allowing them to become a future counselor at the camp

Please fill out our Leadership Program Camper Application Form to sign up now! Due to limited space, the Leadership Program camper may require a screening process before being admitted to the program.
